

eBeam® SMARTMARKER

Make your surface smart.

Don't let location limit
your communication.

Share all of your written notes

Share your notes in real-time to anywhere
in the world as they are being written.

Even erase and correct your streamed
writing using the large digital eraser.

Portable

Place the sensor on any flat writing surface.
Small and light, you can take it anywhere.

Quick and easy warranty service, just in case
anything goes wrong.

Compatibility with most devices

Use with Android and iOS devices as well
as Mac and Windows computers.

Sync your notes on Evernote, Dropbox
& OneNote.

Compatible with normal
whiteboard markers

Use just about any regular dry erase markers.
Tested compatible markers include Expo dry
erase bullet tip, Legamaster e-board, Sharpie
whiteboard, and Luidia dry-erase.

Wide capture area

Captures an area of up to 16ft x 5ft
(4.8m x 1.5m).

Capture on both sides of the sensor.

Embedded memory

Automatically save everything you write.

Captures 20,000 pages without any other
device connection.

CAPTURE STREAM EDIT SYNC

Be more productive with the eBeam Smartmarker. Make your meetings more effective and interactive by streaming your notes in real time. Slip an everyday marker into the sleeve and wherever you go, whatever you write, with whatever device you use, you and your team can collaborate together easily.

eBeam
SMARTMARKER

Make your surface smart.

Complete remote collaboration

Use with Skype, WebEx, GoToMeeting and other social networking services for a complete solution.

Local server option

Set up local server for meetings instead of using our global eBeam servers for maximum security.

Additional accessories

Add color to your captures with colored digital markers including: red, blue, and green. Accessories like these and others (multi-charge cradle, additional magnetic brackets, Luidia dry erase markers, etc.) can be purchased online at www.Luidia.com.

Rechargeable

Fully charges in 2 hours providing 8 hours of continuous usage.

Digital marker colors

A black digital marker is provided in the package. Other colors such as blue, red and green can be purchased separately.

Smartmarker Complete version

A Complete package will give you the most comprehensive whiteboard capture experience. The Smartmarker Complete package includes all four digital marker colors along with a multi-charge cradle that charges all four digital markers and the sensor at the same time.

You can purchase the eBeam Smartmarker Complete package online or through your local reseller.
